

Liverpool to Manchester Airport and Warrington Bank Quay via Earlestown

30 September – 22 October 2017

-  Parking available
-  Staff in attendance
-  Bicycle store facility
-  Metrolink
Interchange stations
-  Disabled assistance
available
-  Airport link

Delivered for you by:

THE GREAT NORTH RAIL PROJECT

This timetable shows our train service between **Liverpool, Manchester and Warrington Bank Quay via Earlestown.**

What work is taking place?

Work will take place at Liverpool Lime Street between 30 September and 22 October in the biggest upgrade the station has seen since the 19th Century.

The project is one of 10 major railway upgrades and forms part of a £340m railway investment in the Liverpool City Region, which sits within the wider Great North Rail Project to transform rail travel for customers in the north of England.

What impact does this have on journeys?

Journeys via St Helens/Huyton

Between 30 September and 8 October, services between Manchester Victoria, Wigan, Blackpool and Preston will start/terminate at St Helens Central or St Helens Junction. Quality rail replacement bus services will offer an express/limited stop service and a stopping service calling at all stations on both routes.

Express/limited stop services (calling at St Helens Central, Huyton and Liverpool Lime Street or St Helens Junction, Lea Green, Huyton,

Wavertree Tech Park and Liverpool Lime Street) will run hourly on Monday to Saturday. Stopping services, calling at all stations, will run every 30 minutes, Monday to Saturday, and every hour on Sunday.

From 9 October until 20 October trains will run in and out of Liverpool Lime Street between approximately 0600 and 2000. For services before 0600 and after 2000, quality rail replacement bus services will run between Huyton and Liverpool Lime Street.

On the final two days, 21 – 22 October, services will start/terminate at Huyton station with quality rail replacement bus services on hand to get you to/from Liverpool Lime Street. On Saturday they will run every 15 minutes and on Sunday every 30 minutes.

The rail replacement bus service calling at all stations between St Helens and Liverpool Lime Street will add approximately 60 minutes to your journey. Those travelling on the express/limited stop service will need to add approximately 35 minutes to their journey. From Huyton station, rail replacement bus services will add approximately 28 minutes to journeys (all based on peak-time travel).

Weekend work on the Ordsall Chord in Greater Manchester from now until 23 October will also mean there will be some changes to services in and out of Manchester Victoria. Passengers are advised to check www.nationalrail.co.uk before they travel.

For more information on the schemes that make up the £340m rail investment in the Liverpool City Region by the end of 2019 visit www.keepliverpoolmoving.com
